

# MS Society How the Booths did it

## Introduction

The Booths have been fundraising for us since 2011.

Their event, the 10 in 10, has grown from strengths to strengths. From welcoming 60 walkers when they first started, it attracted **over 500 walkers in 2017**.

Find out more about their story and their top tips.

 Suggestions of things to think about

 This pack includes links to two videos

## How it all started

[Watch our video](#) on how it all started

A [transcript of the video](#) is also available

## Sum up

As you can see, Yvonne and Duncan:

- have a clear purpose
- tell their story effectively.

Telling the story is important.

 What's your story?

Why the MS Society?

How will you talk to people about MS?

How can you make them 'see' the difference the money you're raising will make?

How can you inspire people to join in?

## Yvonne's top tips

[Watch our video](#) on Yvonne's top tips

A [transcript of the video](#) is also available.

## Sum up

Yvonne's top tips are:

- Start really small
- Spread the word
- Safety first
- Be a good neighbour
- Find your local heroes
- Remember to contact the MS Society
- Do your own thing
- Just do it!

## More on fundraising

### Making sure it's legal and safe

Watch our online presentation and listen to our podcast on [fundraising standards](#)

### Fundraising ideas

See [Ways to fundraise](#) on the volunteer website

For more tips and information, see the section of our volunteer website on [Effective fundraising](#)

## Final thoughts

As a result of watching these videos, can you think of:

Our [fundraising team](#) are here to help you realise your ideas

[Watch the interview](#) with our Fundraisers Russell Benson and Iestyn Evans sharing their top tips for fundraising in the community
