

# Finance Volunteer Welcome and induction checklist

## Welcome!

And thank you, we hope you enjoy your volunteering with us.

## How to use this checklist

This checklist gives you some pointers for settling into your role and finding out about our work, the policies and resources in place to support you.

You can tick off each task as you go along. There's space to write any questions you might have as you complete it. The 'Sources of support' below shows who to ask for more information.

We recommend you complete your induction as soon as you can, particularly resources listed under 'Welcome' and 'My mandatory learning'. This checklist will help you get started in your role but how long it takes to complete will depend on your availability.

## Sources of support

Along with the Fundraising Group Coordinator and at least one other volunteer, you form part of the Coordinating Team. As such, you have a shared responsibility for the group's finances, planning, making decisions and problem-solving.

Meeting the rest of your Coordinating Team will give you an insight into what the group does, what activities they are currently offering and what they would like to develop in future.

The Finance Support Team is your staff contact for questions relating to your group's finances and control over those funds. Shortly after you start, you'll receive a welcome email from the team. You can reach them at [financesupport@mssociety.org.uk](mailto:financesupport@mssociety.org.uk)

Your local fundraising staff contact is here to support you and answer questions:

[volunteers.mssociety.org.uk/node/1800](https://volunteers.mssociety.org.uk/node/1800)

The Supporter Care Team is your point of contact for queries to MS Society departments. They can offer support and signpost you to the right person:

[volunteers.mssociety.org.uk/supporter-care-team](https://volunteers.mssociety.org.uk/supporter-care-team)

Other staff who can support you are listed on our volunteer website:

**Managing your finances** offers guidance on online accounting, managing your groups' finances and following the MS Society's financial rules and policies:
