

Finance Volunteer Volunteer Role Description

Across the UK, our 270 local groups play a vital part in supporting people affected by MS. They provide sense of belonging, unity and friendship. And they deliver services and support for their local MS community.

As our local group Finance Volunteer you'll make sure your group gets the most for their money. You'll maintain income and expenditure records to document and report on group finances. You'll manage their accounts and make financial information easy to understand.

In this role you'll be able to develop your financial, communication and team working skills collaborating closely with other members of your group's committee.

Most importantly you'll help run a team which provides vital support and services to people within your local MS community.
