

# Project Support Volunteer

## Volunteer Role Description

---

Across the UK we deliver variety of projects to innovate, streamline and improve our services for people affected by MS. And we're looking for volunteers with specialist skills to help project management and deliver them.

As our Project Support Volunteer you'll help us deliver projects within various teams at the MS Society national offices. You'll be involved in managing specific projects, planning, setting up and overseeing project milestones. You'll be responsible for supporting delivery of the project as well as providing admin, research and analysis support, depending on your skills.

In this role you'll be able to develop your multitasking, project coordination, organisation, planning, research, analysis and administration skills.

Most importantly you'll be able to support vital projects that help people affected by MS.

### What the role involves

This role may vary depending on needs, but is likely to include:

- Supporting to set project framework and milestones
- Project planning and overseeing progress
- Organising meetings and notetaking
- Completing documentation to support project
- Reviewing and updating data
- Contributing to project communications and sending mail outs
- Contributing to writing project reports

We can support you to develop the skills you need for this role, including an induction into all the areas outlined. You will have a chance to discuss your role and any additional needs with us.
