

# Stop MS Champion

## Volunteer Role Description

---

With your help, we believe we can stop MS.

Over past decades, enormous advances have been made in our understanding of MS. Research has got us to a critical point, and we can see a future where nobody needs to worry about their MS getting worse.

Our Stop MS Appeal needs to raise £100 million to find treatments for everyone with MS.

As our Stop MS Champion you'll help reach more people and inspire them to get involved in our Stop MS Appeal. You'll encourage people you know to raise funds and awareness. You could network locally to engage with and influence fundraisers and community groups. You could enthuse people by delivering presentations at events and find new audiences to speak to.

In this role, as well as developing your networking, influencing, communication, organisation and presentation skills, you'll have a chance to be part of something amazing – you could help us stop MS.

### What the role involves

The specific tasks of this role are likely to include:

- Enthusing people to raise funds
- Representing the MS community
- Actively representing our brand and aims
- Speaking at events or with local media about Stop MS
- Keeping up to date with MS research, our activities and issues faced by people affected by MS
- Promoting events within immediate area and attending on the day

We will support you to develop the skills you need for this role, including an induction into all the areas outlined. You will have a chance to discuss your role, claiming expenses and any additional needs with us.
