

Step-by-step guide to restarting group fundraising activities

From 28 June...

- **Store collections (in agreed premises)**
- **Cheering points and single stalls at organised events**
- **Street collections**
- **Low-level physical activities organised by groups**

This is subject to your nation's governmental guidance and any local requirements regarding COVID and number restrictions

Step 1

You must attend a Zoom support session for restarting fundraising

The Zoom session will explain the detail to these steps

Step 2

Check number restrictions for your nation/area

Complete the new COVID-safe Guidance / Risk Assessment for your event

[Click here for the Guidance / Risk Assessment documents](#)

[Click here for a list of Frequently Asked Questions](#)

Step 3

Upload completed Guidance / Risk Assessment to the Portal and update the service entry.

[Link to Portal](#)
[Click here for a video on uploading Guidance / Risk Assessments to the Portal](#)

If you're unable to upload them [click here to contact the Volunteer Support Team](#)

Step 4

Email the Volunteer Support Team, to confirm Guidance / Risk Assessment has been uploaded

[Click here to email the Volunteer Support Team](#)

volunteersupport@mssociety.org.uk

or call 0300 500 8084 #3)

Step 5

Receive confirmation email

You can restart the fundraising activity
