

## Forum Moderator Volunteer Role Description

---

We're the MS Society – a community of people living with MS, scientists, campaigners, listeners, organisers, ambassadors and fundraisers. Our volunteers are a key part of achieving our goals and their support is vital. Join us.

We receive thousands of support requests each month. We can't meet these requests without the vital contribution of our telephone, face to face and online support roles, ensuring that no one faces MS alone.

### What the role involves

This role may vary depending on needs and is likely to include:

- Upholding our community guidelines across the online forum to maintain a supportive, friendly and interactive environment for all members
- Removing any spam content on the online forum
- Monitoring discussions and signposting members when necessary to information and support services on the website in an empathetic tone
- Developing a basic knowledge of statutory services, benefits and other issues related to people affected by MS and referring people on if necessary
- Keeping up to date with MS news and our work
- Adhering to our escalation protocol by escalating potentially critical content to the internal crisis team

We can support you to develop the skills you need for this role, including an induction into all the areas outlined. You will have a chance to discuss your role and any additional needs with us.

### What you need for this role

#### Essential

- Excellent empathic, interpersonal and writing skills
- Able to recognise and respect a diversity of views, attitudes and lifestyles and maintain confidentiality
