

Property Volunteer Volunteer Role Description

Across the UK, our 270 local groups play a vital part in supporting people affected by MS. They provide sense of belonging, unity and friendship. And they deliver services and support for their local MS community.

As a Property Volunteer you'll keep our information hubs, holiday homes and drop in centres safe and accessible for everyone in your local MS communities. You'll make sure buildings meet all legal requirements and that any day to day maintenance is completed to a high standard. You will also be responsible for liaising with contractors if necessary.

In this role you'll be able to develop your property management and maintenance skills and use your specialist expertise to support us to look after our buildings.

Most importantly you'll help your local group deliver activities for every member of your local MS community.
