

“When I think we could one day stop MS, I think about waking up refreshed. Going a whole day without pain or fatigue.”

Bella was diagnosed with MS when she was only 15 years old.

### For a future free from the effects of MS

Research is making giant leaps forward. There are promising signs for the future, and it is only thanks to the support of people like you.

If you decide to include a gift to the MS Society in your will, you could take us from a world with MS to a future free from its effects.

To find out more please visit [mssociety.org.uk/free-wills](https://mssociety.org.uk/free-wills) or call 020 8827 0374. As always, thank you for all that you do.

**Just for you:  
our FREE will writing service**

## Take advantage of our FREE will writing services.

Whatever your circumstances, it's important to have a legally recognised and up to date will, to make sure your family, friends and the causes you care about receive what you want to give them.

But we know making a will can be costly.

To help, we're offering our supporters a range of free will writing services to make writing your will as simple and inexpensive as possible.

You don't have to include a gift to the MS Society in your will to use them. If you do however, you'll join a community of amazing people who are bringing us closer to stopping MS.

**“Making your will can be simple, but if you're not sure where to start, we're here for you. Just call 020 8827 0374 today. We'll be happy to help.”**
