

General Election Volunteer

We're the MS Society – a community of people living with MS, volunteers, scientists, campaigners, listeners, organisers, ambassadors and fundraisers. Join us today so that together we can stop MS.

The UK General Election is on **Thursday 4 July 2024**. It's an opportunity for us to campaign on the issues that matter most to people living with MS. And to engage with candidates across all political parties. We're asking all our volunteers and local groups to make sure every candidate knows how they can speak up for MS, if they're elected.
